TRIBAL MARKETER

A Tribal Marketer is a person that engages in the wholesale or retail sale of motor fuel or special fuel on Indian reservations and/or in Indian country that have tax agreements with the State of South Dakota and the Department of Revenue. Tribal Marketers must be licensed to do business in South Dakota. A separate license is required for each business location within the state.

Selling Dyed Diesel and Dyed Biodiesel
Tribal Marketers may sell dyed diesel and dyed biodiesel untaxed to customers that use it for agricultural purposes. In addition, dyed diesel or dyed biodiesel may be sold untaxed to the state or its political subdivisions for use in their vehicles, machinery, and equipment that are used in highway construction. All diesel or biodiesel sold to the state, political subdivisions, and school systems for vehicular use, including that used in buses, must be undyed.

Tribal Marketers are required to charge and collect sales tax on sales of dyed diesel and dyed biodiesel to licensed Highway Contractors. These sales are to be reported on the Marketer’s sales tax return.

Selling Ethanol Blends and Methanol Blends
Ethyl Alcohol and Methyl Alcohol are taxed at the rate of $0.14 per gallon plus the $0.02 per gallon Tank Inspection Fee. These products are now taxed because of the various levels of ethanol blends now being seen in the industry. If a Tribal Marketer sells an ethanol blend or methanol blend, the sales invoice must indicate what type of ethanol blend or methanol blend was sold (for example, E10, E20, E30 etc.).

Record Keeping/Acceptable Records
To ensure that the correct amount of fuel tax is collected on all fuel used on South Dakota roads and highways, the law requires Tribal Marketers to keep detailed records of all fuel transactions and deliveries. Tribal Marketers will need these records to accurately complete the Marketer Schedule of Fuel Sales on Indian Reservations and Indian Country and must present them to Department personnel if they have their licenses reviewed. Records are to be maintained for a period of at least 30 days at the delivery location or a location approved by the Secretary. All records must be preserved for the current year and the three preceding calendar years.

Inventory Records
Tribal Marketers must keep monthly inventory records that contain the following:
• Total gallons of each type of fuel in storage at the beginning of the month;
• Total gallons of each type of fuel received during the month;
• Total gallons of each type of fuel sold during the month; and
• Total gallons of each type of fuel in storage at the end of the month.
Sales and Purchase Records
Licensed Tribal Marketers must keep all sales and or purchase invoices. A copy of the invoice must be maintained in the records of both the seller and the purchaser. The invoices must be serially numbered and must contain the following information:
- The seller’s name and address;
- The seller’s supplier’s license number issued by the department, if the fuel was sold at the pipeline or the seller’s marketer’s number if not sold at a pipeline;
- The purchaser’s name and address;
- The date of sale and delivery of the fuel;
- The number of gallons of fuel sold and delivered to the purchaser, the type of fuel and if diesel whether it was dyed or not;
- The price charged per gallon of fuel;
- If charged, the amount of fuel tax or sales tax. Fuel tax must either be listed separately or as a statement by the marketer that the price per gallon required by law includes the South Dakota fuel tax; and
- The total amount of the sales invoice.

These records are necessary and will be used to complete the Marketer Schedule of Fuel Sales on Indian Reservations and in Indian Country.

Fuel Shipping Records
Licensed Tribal Marketers must maintain in their records all fuel shipping documents they receive, including bills of lading, drop load tickets, and diversion tickets. Tribal Marketers are responsible for inspecting any shipping document to insure that it indicates South Dakota as the destination state.

Other Records Required of Tribal Marketers
Licensed Tribal Marketers are required to keep these records in addition to those already discussed:
- Fuel disbursement records
- Weekly pump meter readings

The Secretary of Revenue may require other pertinent records and papers necessary for the enforcement of fuel tax laws, including purchase records, journals, ledgers, payment records and banking records.

Reporting Schedule
Because Tribal Marketers purchase only tax paid motor fuel, tax paid clear special fuel and tax-exempt dyed special fuel; they have no fuel tax reporting or remitting responsibilities to the state.
