## General Information

### What does the P.A.C.T. Act refer to?

The Prevent All Cigarette Trafficking Act of 2009 is commonly referred to as the PACT Act. Senate Bill 1147 was signed and became public law.

It is the purpose of this Act to:

- require Internet and other remote sellers of cigarettes and smokeless tobacco to comply with the same laws that apply to law-abiding tobacco retailers;
- create strong disincentives to illegal smuggling of tobacco products;
- provide government enforcement officials with more effective enforcement tools to combat tobacco smuggling;
- make it more difficult for cigarette and smokeless tobacco traffickers to engage in and profit from their illegal activities;
- increase collections of Federal, State, and local excise taxes on cigarettes and smokeless tobacco; and,
- prevent and reduce youth access to inexpensive cigarettes and smokeless tobacco through illegal Internet or contraband sales.

### Who must file this report?

You must file this report if you advertise, offer for sale, sell, transfer, or ship (for profit) cigarettes in interstate commerce. These cigarettes must be shipped into another state, locality, or Indian nation that taxes the sale or use of cigarettes.

### When do I file?

The report is due no later than the 10<sup>th</sup> day of each calendar month for the previous calendar month's shipments.
