## EXECUTIVE SECRETARY'S MESSAGE

This document reports gaming and racing activity for Fiscal Year 2021 (July 1, 2020 through June 30, 2021).

This report is divided into two sections. The first section deals with gaming revenue and activity related to casino gaming in Deadwood, South Dakota; and the second section relates to the pari-mutuel activity within South Dakota.

Gaming dollars spent and won by the general public and the collective gross revenue of all licensees are measured in this report. In comparing FY20 to FY21, the number of active Retail licenses decreased by four. The number of licensed devices also decreased by 41 . FY21 showed an increase in total handle of 24.18 \% and an increase in adjusted gross revenue of 22.96 \% from FY20.

The tax rate is defined by SDCL 42-7B-28 and 42-7B-28.1 and total 9\% of the adjusted gross revenue. SDCL 42-7B-28.1, 42-7B-48, 42-7B-48.1, 42-7B-48.3 establish the distribution structure of these taxes collected. Per 42-7B-28.1, 1\% of the adjusted gross revenue goes directly to the State General Fund. According to $42-7 \mathrm{~B}-48,40 \%$ of the tax is transferred to the Department of Tourism, $10 \%$ is paid to Lawrence County and the remaining $50 \%$ stays in the commission fund.

In addition, each device which includes both table games and slot machines is assessed an annual device fee of $\$ 2,000.00$ payable before July $1^{\text {st }}$ of each year. These device fees, all licensing fees and all other miscellaneous revenue received by this office are deposited with the state treasury in the commission fund.

The administrative costs of the Commission on Gaming are paid from the commission fund and amounted to $8.2 \%$ of total revenue collected in FY21. In addition, $\$ 100,000$ is distributed to the State Historical Preservation Loan and Grant fund and up to $\$ 30,000$ can be distributed to the Department of Social Services for Gambling Addiction Treatment and Counseling Program grants. All other revenues remaining in the commission fund are then paid to the City of Deadwood until such time as the net municipal proceeds paid to the City of Deadwood equal $\$ 6,800,000$ for each calendar year.

In FY21, the net municipal proceeds paid to the City of Deadwood reached $\$ 6,800,000$ and in accordance with SDCL 42-7B-48.1, the distribution of funds in excess of this amount changed; 70\% of the excess was transferred to the State's general fund, $10 \%$ was distributed to other municipalities in Lawrence County, pro rata according to population, $10 \%$ was distributed to school districts in Lawrence County, pro rata based upon the previous year's average daily membership and $10 \%$ to the City of Deadwood. Per 42-7B-48.2, the amount which is distributed to the school districts is offset by a dollar-for-dollar reduction in state aid which the district receives.
These distributions resulted in $\$ 760,589.14$ being deposited in the State's general fund, $\$ 108,655.60$ being distributed to the other municipalities and $\$ 108,655.60$ to the school districts as shown below.

| Municipality |  |  | School District |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Spearfish | \$ | 79,508.63 | Spearfish | \$ | 77,644.19 |
| Lead | \$ | 20,553.67 | Lead/Deadwood | \$ | 25,310.11 |
| Whitewood | \$ | 7,601.76 | Meade | \$ | 5,606.60 |
| Central City | \$ | 991.54 | Belle Fourche | \$ | 94.70 |

In addition, taxes collected per 42-7B-28.1 resulted in an additional \$1,180,730.58 being deposited in the State's general fund.

The Commission on Gaming also regulates pari-mutuel wagering in South Dakota. This year Parimutuel horse racing had a fall meet in Fort Pierre on one weekend in October.

Simulcast wagering on horse and greyhound races was received throughout the year from out of state tracks. Revenue from pari-mutuel wagering activity is derived from a payment schedule prescribed by state law. The Commission as required by state law remits moneys received from pari-mutuel wagering back to the industry.

The Commission on Gaming recognizes the impact of gaming in Deadwood and the issues affecting pari-mutuel racing. The goals of the Commission are:

1. To safeguard that gaming and pari-mutuel is operated by suitable individuals; that it is conducted honestly, competitively and free from criminal influence and activity.
2. To protect the health, safety, morals and general welfare of the people of South Dakota and enforce the public policy as specified in SDCL 42-7B-2.1.
3. To ensure to the best of our abilities that gambling, and pari-mutuel industries are stable and successful, and that free competition is preserved.
